JOIN US ON THIS SPECIAL LONDON D-DAY • CHANGE BEGINS

The original D-Day (6 June 1944) in the Second World War was the day on which Allied forces invaded northern France by means of beach landings in Normandy. It was the day on which an **important operation began, and a change was to take effect.**

Dr. Cindy Jacobs, internationally recognised prophet to nations and individuals, will be with us in London to embark upon such a day which promises to be the D-Day for our destinies. **A day to begin a divine change that will take effect.** Hosted by **Julie Anderson**, founder of the Deborah Company UK, with a strategic session led by **Tiffany Buhler**, UK director of of Burn 24/7 and Event Director of David's Tent.
